*Seville was designed with families in mind.*

*From the 18th hole championship golf course to the two-story clubhouse, the Aquatic Center and the Sports Club, there is so much to do at Seville for the whole family.*

*Every year, Feria de Seville is held in the southern Spain province of Andalusia. To celebrate the opening of new communities by Beazer Homes and Shea Homes, we thought we could celebrate our own Feria de Seville. And just like in Spain, there will be food, refreshments, games and fun.*

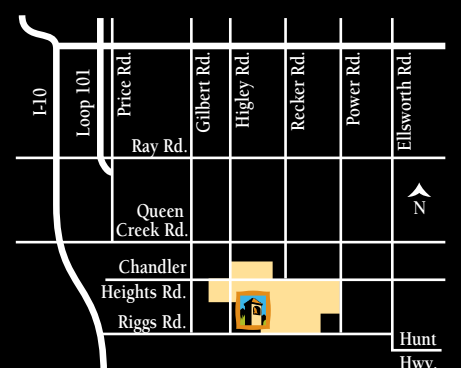

*KPKX, KESZ, KNIX, and KYOT will also be there broadcasting live from Seville.*

*So plan to join in all the festivities:*

*Saturday, Oct. 13th  
from 10 a.m. to 3 p.m.*
